Foreword

This issue of the *European Journal of Entomology* contains part of proceedings of the fourth international symposium on aphids, which was jointly organised by the Faculty of Biological Sciences of the University of South Bohemia and the Institute of Entomology of the Czech Academy of Sciences and held in August/September 1993 in České Budějovice, Czech Republic. The meeting was attended by 86 participants from 26 countries.

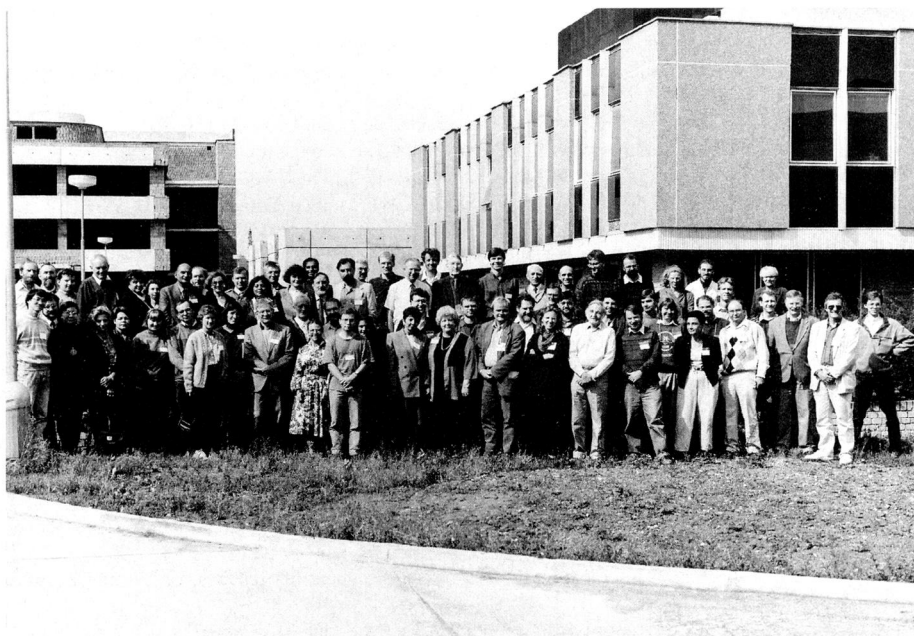

A separate volume containing the rest of the proceedings of the symposium is available on request from the Editors (mailing address: Dr. Pavel Kindlmann, Faculty of Biological Sciences, University of South Bohemia, Branišovská 31, 370 05 České Budějovice, Czech Republic).

The next meeting will be held in Spain in 1997 and organised by Dr. J.M. Nieto Nafria, Dept. Biol., Univ. León, León, 24071, Spain.
