

This issue contains selected contributions presented at the 15th European Colloquium of Arachnology held at the Institute of Entomology in České Budějovice, Czech Republic, on 11–15 July 1994. The remaining papers can be found in a separate publication: Růžička V. (ed.) 1995: Proceedings of the 15th European Colloquium of Arachnology. Institute of Entomology, Czech Academy of Sciences, České Budějovice, 240 pp. (ISBN 80-901250-1-8).

We are grateful to Dr P. Merrett (Swanage, UK) for correcting the English of this issue.
